Our performance

The organization has worked especially in the field of education, health & development of environment in this year. The details of these programmes are as under

Sardar Vidhyalaya – Damanagar

The Sardar vidhyalya was established in the year 1998 at Damanagar village of Lathi taluas. In Sardar vidhyalya, primary education {std. 1 to 7} is given to the children. During the year, total 246 children of Std. 1 to 7 have been learned here.

During the year, so many competition like games, elocution, essay writing, drama etc. were arranged, The national festivals like the independent day, republic day, Gandhi Jayanti, Sardar Jayanti etc. are also arranged.

Those children who belong to 10 to 15 villages to damnagar are also here for education purpose. For them to reach at school facility of school bus is provided by the organization facilities of computer education is given from primary schools to the children.

On the occasion of admission celebration of the school, program of rally performed by the students and a programme of school decoration was arranged.

Reproductive & child health program

The organization is working with the object to improve the health of women and children and to make women aware about sexual health by connecting with the mother NGO Samagra Vikas Trust. In the different villages like Chital, Timba, Machiyala, Jaswantgadh and Giriya this programme had been started.

This program is started in Khambha during this year. This region is nearest to the forest border where is lake of health services and its awareness and education level is also in people. We did basic survey of this areas Samthiyala centers 10 villages.

Nagrik monitoring

Basic need of every citizen is to get liberty and to decrease the problems of water. Nagrik monitoring is held in 49 villages of Amreli district with a view to joining every citizen in the the campaign for water. Views of people were got in respected areas with people partnership on every citizen got independence on drinking water.

Avash

There is found the need of residence facility for the “AGARIYA” worker who rope salt in the state. Our organization made the activities to provide Avash under Namak Majdur Avash scheme in Amreli District. In this scheme 21 organization made Aavas for Agariyas.

Research

Gujarat Govt. attempting to make strength the primary education under Sarya Shiksha Abhiyan. Girls’ education found very low in Gujarat state. To know the droup out ration of girl education District education and training center give responsibility to our organization to do research for evaluate the reasons of the drop out ration.

To evaluate these reasons we select two schools from every CRCs of Khambha, liliya and Amreli of Amreli district. We had taken visit of Principals, teachers and the parents of dropped out girls in respected town. The visit had taken for the sake of find out the reason of drop out. First we had visit the principal of the dropped out girls’ school and taken the information of the last two years total number of students as well as we have got the name and address of the dropped out girls. Having got the address we contacted them and try to find out the reasons and evaluated them.
