This month we have completed 6 to 10 modules of foundation course of our Gender Education program. Our mentors illustrated the concept of gender identity, exploring the three genders and through chart participants presented their thoughts. Mentors create a healthy interactive dialogue and discussions to understand a gender dynamic.

Our mentors are actively engaged with students through various activities and try to engaged students toward learning and enhance their interest toward education. We celebrated Navratri at our Learning Centres in Bhankodar and Bherai, where our little stars came together with immense joy and enthusiasm. During this month Dhirubhai Vagadia and Mansiben Dobariya took visit classes of Talda, Bhankodar and Mota Machiyala.

At Talda village of Khambha block, we have started our action course of Gender education with 40 adolescent boys. This month we have completed 6 modules of our Action Course. Through these modules our mentors empowering boys and girls with leadership skills through various activities like team building and communication to group discussion, problem solving, planning, presentation and prepare for taking FGD. Each activity is designed to promote engagement, teamwork and critical thinking.

During the month total 4 online reading sessions were held. In which on October 4th Community Mission Statement discussed how to write a family mission statement and its structure. On 10th October discussed the benefits of community mission statements and how to write mission statements for various organizations and their effectiveness. On 18th October, the topic "Live with the goal in sight" was discussed. And on October 25, a session was held on "Living Life's First Priority in View," Making Right Choices in Life, and Living Truly Within.
