Reel Vadodara

Under REEL Mark's program activities like the second phase of mass awareness campaign across all program villages, animal health camps in Talavpura and Limpura villages providing essential veterinary support to local farmers. To address minor injuries commonly faced during fieldwork, 100 first aid kits were distributed based on farmers' needs. As part of Integrated Pest Management (IPM) practices, farmers set up yellow sticky traps, pheromone traps, and bird perches in their fields to control pest populations naturally. The field team also completed Farmer Trainings 3 and 4, focusing on Integrated Nutrient Management (INM) and IPM, enhancing farmers' knowledge and capacity for sustainable agricultural practices.
