School Activities

To help create a child labour free community, our field staff visited schools in the program villages of Bujetha, Tanka, and Vadiya to raise awareness about the impacts of child labour. Through interactive sessions, competitions, prize distributions, and motivational activities, we encouraged children to stay in school, continue their education, and dream confidently for a better future.

As part of our agricultural support initiatives, we also distributed Solar Radar Light Traps and Varmibed to demo farmers to promote Integrated Nutrient Management (INM) and Integrated Pest Management (IPM) practices.

HRDD - Training

This month, HRDD (Human Rights Due Diligence) training sessions were successfully conducted in the villages of Bujetha, Vadiya and Bhalodra. The objective of these sessions was to strengthen community understanding of key human rights concerns and to encourage safer, more supportive local practices.
