Gender equitable Boys

- Since long organization has been working for issue of gender equality. We have conducted foundation course and action for equality course, through this knowledge and skills of the boys has increased.
- This group of boys will contribute for gender based violence and discrimination free society. Group of such boys work in society to change behaviors of other and for awareness among friends, families and society.

Center for Learning Assistance

- This program is developed by our organization for the children whose learning level is below as per primary school.
- To overcome problems faced during Covid 19 phase in education we developed CLA. We more emphasis on language, math, science, technology, personal and public health and socially useful works.
- The main objective of the CLA is that children can learn with fun in a free and child-friendly environment. We are also trying to involve parents in the learning process.

Natural Resource Management and Livelihoods

[\(Click here to learn more\)](#)

Agriculture and Biodiversity

- We are trying to provide guidance about natural and organic farming to farmers of Khambha, Babara and Dabhoi area. While meeting with farmer's team members of the organisation discussed and dialogue to promote ecological balance, conserve biodiversity, maintaining or enhancing soil and water quality, conserving wetlands, wildlife and avoiding hazardous process and product in farming.
