## Center for Learning Assistance

- This program is developed by our organization for the children whose learning level is below as per primary school.
- To overcome problems faced during Covid19 phase in education we developed CLA. We more emphasis on language, math, science, technology, personal and public health and socially useful works.
- The main objective of the CLA is that children can learn with fun in a free and child-friendly environment. We are also trying to involve parents in the learning process.

## Natural Resource Management and Livelihoods

## Agriculture and Biodiversity

- We are trying to provide guidance about natural and organic farming to farmers of Khambha, Babara block in Amreli district and Dabhoi block in Vadodra District and Tilakvada block in Narmada District area. While meeting with farmer's team members of the organization discussed and dialogue to promote ecological balance, conserve biodiversity, maintaining or enhancing soil and water quality, conserving wetlands, wildlife and avoiding hazardous process and product in farming.
